Unveiled Monument

A dream of at least twelve years was made a fact by the Women's Relief Corps on Armistice Day, when an imposing monument to the memory of Civil War soldiers was unveiled at Witherell Park.

The exercises commenced with a parade starting from the armory at eleven o'clock with the Norway-Paris Band, Co. C, 103 Infantry and Henry Stone Post, American Legion in line. Proceeding to Witherell Park, the Relief Corps, members of the G. A. R., Sons of Veterans, the American Legion, Auxiliary and others joined and marched to the park, where a hollow square was formed around the draped monument.

While the band was playing the Star Spangled Banner and all stood at attention. W. Frank Cox and Winfield S. Cordwell, two veterans, drew aside the flag which concealed the face of the monument.

The band played "America"; prayer was offered by Rev. C. G. Miller of the Universalist Church, followed by a response from the band and Donald B. Partridge, Esq., a son and a grandson of a veteran, delivered a brief address.

The speaker stressed the meaning of Armistice Day and paid a glowing tribute to World War veterans living, and to that army sleeping in Flanders' Field and in other sacred places. Going back to the civil conflict, he reviewed that mighty struggle and with eloquence he brought back the sacrifices, the heroisms, and heroic deeds to be commemorated with the granite shaft.

The address was a direct plea for the best citizenship and a deep reverence for the country's flag.

The monument is fine Hallowell granite made in three panels and resting on a large base. It rests approximately in the center of Witherell Park and faces Main Street.

On the center, which is the largest and highest section, bears a figure of two unfurled flags crossed. Below is the Grand Army badge and insignia, underneath near the base 1861-1865 stands in bold relief.

The panel on the left bears this inscription: "Erected by Harry Rust Post, Women's Relief Corps, No. 45, 1924." On the right is this tribute: "In honor of the men who braved danger and endured hardship to preserve the nation."

The base is 11 feet long, 2 feet wide and 12 inches above the graded surface. The monument proper is 8 ft. wide and 11 inches thick and about 9 feet above the base, or about 10 feet above the ground.

While the question of a memorial for the Civil War veterans had been agitated many years by the Women's Relief Corps, it was not until about twelve years ago that visions of a suitable monument commenced to crystallize into a fund. The Corps had dinners, suppers, entertainments, and made personal sacrifices to increase the amount until their ambition seemed about to be realized when the Corps joined other patriotic societies in war work and directed all their energies and resources to that end, with ambitions for a monument put aside for the duties at hand.

About two years ago the Corps returned to their one great hope and with a lot of hard work and numerous contributions, have raised more than half the price asked for the beautiful memorial. The stone was procured at the Lewiston Monumental Works, at a cost of \$1500, which sum is far below the regular price owing to circumstances working in favor of the Norway ladies. Arrangements for future payments have been made easy so members of the Corps will continue to cheerfully work and strive until the last dollar has been paid.

November Weddings

Holden-Stuart
The marriage of Anson J. Holden of Norway and Mrs. Katherine B. Stuart of South Paris occurred Wednesday evening at the home of the bride, Rev. D. L. Joslin, pastor of the Oxford Methodist Church, officiated. The ceremony was performed in the presence of several relatives and close friends. An informal reception followed. Mr. and Mrs. Holden went to Portland Thursday morning for a few days trip. On their return they will reside at Mrs. Holden's home at South Paris.

Mr. Holden is a native of Otisfield, and after a few years in Portland and the West, he returned to Oxford and has been a resident of that village for more than fifty years, coming to Norway last spring to make his home with his daughter, Mrs. Gertrude Barker, Dan Street. He is a veteran of the Civil War, having served with Company C, 25th Maine Infantry. Mr. Holden was instrumental in the organization of T. A. Roberts Post in Oxford and is Past Commander of the organization, and has been a great worker in its interests. He is a member of the Methodist Church and has been an interested worker. Since coming to Norway, Mr. Holden has attended the Norway Methodist Church, and the Post meetings, and has become obligated with the Daughters of Veterans. He is a valued member wherever he belongs, and what is Norway's loss will be South Paris's gain. For the past five years, Mr. Holden has been president of the 13th, 25th, and 30th Maine Regimental Association and at the present time is a member of the staff of the Department Commander of Maine.

Mrs. Holden is a native of Greenwood, the daughter of Mr. and Mrs. Samuel P. Barker, and has been a resident of South Paris for many years. She is a member of Deering Memorial Church, and is an active and interested member. She is also a member of the G. A. R. Ladies' Circle.

Sports
BOWLING
Oxford No. 1, 1317; Oxford No. 2, 1221. In a recent contest at Parris's Alley, two teams from Oxford settled the question of pin getters and had a pretty good time. Team No. 1 decided the argument in two strings and led No. 2 in on the last session. Summary:

Norway vs. Bridgton
Norway High school football team will mix it up with Bridgton High on the Fair grounds next Saturday afternoon. A big crowd and a fast game is the indication. While this is the last scheduled game, negotiations are pending for a big attraction a week from Saturday.

Howard Damon has cut a bad gash in his right foot. He did it while cutting pulp wood last Saturday for Jim Stone. He expects to get back to work in a few days.

The usual tranquility prevailing on "Legal Hill" Pleasant street, Norway, is disturbed over the location of the Gurney Lane. Just where on the face of the earth it is located is unknown. Civil engineers and the oldest inhabitants have been working on the problem several days. Those generally interested are A. L. Gorton, Clarence H. Downing and S. O. Jellerson. The road lines or run, out of the steps of J. C. True's house and a part of Frank L. Haskell's location room yet the great width and leaviness of "the lane" is undetermined. A new drying shed 132x22 feet is being erected on the end of Whitman street for C. B. Cummings & Sons Co. Another shed of the same dimensions will be completed before winter and located near the new building.

Part of the stone work has been removed from under the street and replaced with cement. One end of the house had commenced to settle in the soft earth. Tim Heath's workmen are doing the job. John McKay is hunting deer in Stoneham and stopping at Wes. Adams' house. He has cruised this section for the past thirty years and brought home a total of 17,000 glass and metallic beads. It is a beauty and worth a good round sum. Shoe business is slack in both factories and on the market. The past week after a good run of several months is reported the slack is only temporary. C. A. Woodcock of Somerville, Mass., was in town, Monday. He called on old friends including Thomas Thibodeau, Mr. Leavitt and F. W. Sanborn. Howard Knightly is packing and hauling his apples.

WHY SUFFER SO?

Why suffer from a bad back, from sharp, shooting twinges, headaches, dizziness and distressing urinary ills? Norway people recommend Doan's Pills. Ask your neighbor. Could you ask for stronger proof of merit?

Albert F. Prescott, shoemaker, Crockett Bridge, Norway, says: "My kidneys gave out and I had backache so badly it put me past going for several days. I couldn't bend, I was so stiff and lame. I was working in the ship yards at the time and I blame so much heavy lifting for the trouble. I had to get up several times during the night to pass the kidney secretions and I felt drowsy all the time. Finally I went to Stone's Drug Store and got Doan's Pills and began using them. Doan's reached my case at once and after using three boxes, the trouble left entirely. I have felt fine since."

Read How Mrs. Walsh Was Helped by Taking Lydia E. Pinkham's Vegetable Compound

Mannington, West Virginia.—"I took the Vegetable Compound when having the turn of life. I had been sick for seven years. I would get a little better, then I broke down again. It would be hard for me to describe how I was, for I was a perfect wreck. I suffered with a pain in my left side, then I would have numb spells and I would think I couldn't live. I would have hot flashes, then would come weak spells. I was so weak I would think I couldn't ever get a meal ready. My work was a burden to me. I was not able to do my housework half of the time. A friend advised me to take Lydia E. Pinkham's Vegetable Compound, and it has given me strength and health. The hot flashes left me and I got better of the numb spells. That summer I could do my housework and worked in the garden a good bit. I tell all sick women what your wonderful medicine did for me, and will always recommend it. I was born in Marion County and still live in it. I am known to all my neighbors, and you can publish this statement because it is true."

BETHEL

Oxford Pomona Grange
Bethel Grange was host to Oxford Pomona Grange on Wednesday, Nov. 5, there was a large attendance. There were guests from Paris, Norway, Bear Mt., Waterford, Pleasant Valley, Franklin, Alder River, Round Mountain, Bear River, Upton, Mountain View, Pleasant Pond, Bethel and China Granges. Meeting opened in form. Minutes of last meeting read and business attended to. Worthwhile Master Brooks appointed Assistant and Lady Assistant Steward and F. E. Russell, Master of Bethel Grange, committee on candidates. Six were instructed in the degree of Pomona, Mrs. Sumner Davis, Bear River; Grace Clough, Bethel; Maxine Clough, Bethel; Mrs. Frances Clough, Bethel; Mrs. Florence Swift, Franklin; Mrs. Grace Glines, Bethel; a beautiful ceremony.

A recess was declared and a dinner was served. When we say dinner it ought to be put in capitals. A committee of brothers of Bethel Grange were "the powers behind the throne," A. L. Copeland, chairman, but the good natured sisters helped out amazingly.

The afternoon program was extremely interesting, song, "Battle Hymn of the Republic," piano solo, Sister S. Russell, who is the pianist for Bethel Grange; vocal solo, (and encore), "Dreaming of You," Wilson Chapin. At this point the worthy lecturer introduced Past state Master W. J. Thompson, South China, who gave a stirring address on "Taxation and the so called 20th Amendment." Much light was thrown on the subject. He also told of the automobile-Grange Insurance and answered many questions. Brother Thompson was welcomed most heartily and all felt that it had been a day of days in Grange annals.

Brother Thompson is chairman of the executive committee of the National Grange and one of the executive committee of the Maine State Grange. Brother L. E. McIntire, also a member was present and A. E. Morse, chaplain of the Maine State Grange, was present. A rising vote of thanks expressing the pleasure of having his present was extended Brother Thompson.

Brother Herman Mason was usher at the dining room door and at last accounts he had seated upwards of two hundred and fifty and then some. What's the Matter with the Country?

Are We Not All Contributing to the Cause?

A friend of mine wrote to me the other day and asked, "What's the matter with the country, anyway?" At first I felt like writing back and saying, "What isn't?"

A lot of our young folks would rather dance than eat and there isn't anything the matter with their appetites at that. And then some would rather eat than work, and expect to do it without working.

If a man doesn't make any money, he is declared a bankrupt. And if he does, the income tax takes it away from him. He doesn't know how much his tax is going to be, only that it is going to be much.

If you make a lot of money this year it is excess profits, and they tie the income tax on you and take it hence. If you lose a lot of money next year, you can go to the bank and try to borrow some, and see how much good that will do you.

And what do we do with the money we save from the income tax? Well, you would think we got our dollars red hot from the mint, we let go of them so quick.

Nobody stays at home any more except cripples,—of which we are making more every day. Home, Sweet Home, has given place to Movie, Sweet Movie, —or Restaurant, Sweet Restaurant,—or Ford, Sweet Ford.

People don't go to church as they used to. A lot of men carry their religion in their wives' names. We all hope to go to heaven personally, but we never go to church ourselves. All we do is to send our children or our check.

We have substituted riding for walking, noise for music, contortion for dancing, pleasure for enjoyment, notoriety for fame, publicity for achievement, wealth for worth, politics for statesmanship, and speed for progress.

An yet is is a good old world and a grand old flag at that. What is the matter with the country? Nothing much, ONLY US.

KEZAR FALLS

Mrs. Jennie Lord

Mrs. Jennie Lord passed away on the afternoon of Nov. 7, from the result of a shock suffered the previous day. She had been in failing health since the death of her husband who died last April, and was thought by many of her friends to have literally died of a broken heart. She was in her seventieth year and leaves two sons, Roy and Byron, two grandchildren and a brother, William Merrifield.

Services were conducted by Rev. Arthur Callahan on the afternoon of Nov. 11, who spoke with much feeling his words reflecting the sentiment of the solo sang by Mrs. Elwood Elliott, "Lead Kindly Light." There were many beautiful flowers in evidence. In Kezar Falls cemetery she rests beside the one she loved so well.

Library Bazaar

The Library Bazaar was held in K. of P. hall, Nov. 7, afternoon and evening and was a very successful affair netting the workers over two hundred dollars. Hot dogs and coffee were disposed of by Mrs. Jennie Chapman, Mrs. Myron Ridlon and Mrs. Alton Goodwin.

Cooked food and vegetables were presented over by Mrs. Harry Pratt, Mrs. Elmer Chapman and Mrs. Sidney B. Stanley. The Christmas tree and 10 cent counter proved very alluring with Mrs. F. G. Devereaux, Mrs. W. L. Garner, Mrs. Guy Boston and Mrs. Carlton Ford gathering in the shelves. Mrs. Harvey Granville, Mrs. O. L. Stanley and Mrs. W. T. Norton were the three Graces appointed to wait on customers at the fancy work table. The apron booth, as usual, was very popular. Mrs. Will Stearns, Mrs. P. W. Benton, Mrs. Carl Stanley and Mrs. Elsworth Sawyer were kept more than busy.
